The performance we celebrated caused a huge success, that we've got awarded by the mayor a weekly trip around the world!
Aw yeah! Our biggest, luckiest day yet! We're getting a whole month off and going on a rocking cruise!
But I have one huge
Concern? What's wrong with this cruise? It's freedom! What could go wrong?
Around the world, concerts to access. Perfect time for our nationwide success!

...Remind me again. How did we get arrested while preforming during Mid-Eastern countries?
Arrested for playing a song of our breathern without the companies' permission. They may be a good company, but they sure are ballistic about their property.
